

# Make You Feel My Love

C When the rain is blowing in your face  
Bb And the whole world is on your case  
Fm I could offer you a warm embrace  
D7 To make you feel my love

C When evening shadows and the stars appear  
Bb And there is no one there to dry your tears  
Fm I could hold you for a million years  
D7 To make you feel my love

F I know you haven't made your mind up yet  
E7 But I would never do you wrong  
F I've known it from the moment that we met  
D7 No doubt in my mind where you belong

C I'd go hungry, I'd go black and blue  
Bb I'd go crawling down the avenue  
Fm No, there's nothing that I wouldn't do  
D7 To make you feel my love
