

Things Are Not The Same on the Land

Bill Chambers

Bb C F F

There's no movement today, at the station out-back

Just a man with his head in his hands

He'll soon walk away, just a shirt on his back

Things are not the same on the land

His world floats away, as tears flood his eye

Broken dreams, and disappearing plans

Oh the rain will be too late if it waits till Ju-ly

Things are not the same on the land

CHORUS:

Re-mem-ber the days,

and the simple country ways

When a man who wouldn't work was not a man

But you can never go back, life's just not like that

Things are not the same on the land

Instrumental (verse)

There's no movement today, at the station out-back

Just a man with his head in his hands

He'll soon walk away, just a shirt on his back

Things are not the same on the land

We'll soon see the day, when the tough wont sur-vive

And we wonder if our leaders under-stand ^{C C}
 The promise of a rainbow Won't feed a hungry child ^{F Bb F}
