

# UNDER THE MILKY WAY

Steve Kilby & Karin Jansson

Am D7 F Em7  
Am D7 F Em7  
Am D7  
Sometimes this place gets kind of  
F Em7  
empty  
Am D7  
Sound of their breath fades with the  
F Em7  
light  
Am D7  
I think a-bout the  
F Em7  
loveless fascination  
Am D7 F Em7  
Under the Milky Way tonight

Am D7  
Lower the curtain down on  
F Em7  
Memphis  
Am D7  
Lower the curtain down  
F Em7  
alright  
Am D7  
I got no time for  
F Em7  
private consultation  
Am D7 F Em7  
Under the Milky Way tonight

G F  
Wish I knew what you were looking for  
G F  
Might have known what you would find

Am D7  
And it's something quite  
F Em7  
peculiar  
Am D7  
Something shimmering and  
F Em7  
white  
Am D7  
Leads you here  
F Em7  
despite your destination  
Am D7 F Em7  
Under the Milky Way tonight

G F  
Wish I knew what you were looking for

G F  
Might have known what you would find

G F  
Wish I knew what you were searching for  
G F  
Might have known what you would find

Am D7  
And it's something quite  
F Em7  
peculiar  
Am D7  
Something shimmering and  
F Em7  
white  
Am D7  
Leads you here  
F Em7  
despite your destination  
Am D7 F Em7  
Under the Milky Way tonight

G F  
Wish I knew what you were looking for  
G F  
Might have known what you would find

G F  
Wish I knew what you were searching for  
G F  
Might have known what you would find

Am D7 F Em7  
Under the Milky Way tonight  
Am D7 F Em7  
Under the Milky Way tonight  
Am D7 F Em7  
Under the Milky Way tonight
