

# PLACE IN THE CHOIR (by Bill Staines)

G G D G C G D G  
 All God's creatures got a place in the choir Some sing low and some sing higher  
 C G D G G  
 Some sing out loud on the telephone wire Some just clap their hands or paws, or anything they got now

G G D G C G D G  
 Listen to the top where the little birds sings On the mel-o-dies with the high notes ringing  
 C G D G  
 And the hoot owl cries over everything And the blackbird disa-grees

G G D G C G D G  
 Singin' in the night time, singin' in the day And the little duck quacks and he's on his way  
 C G D G (STOP)  
 And the otter hasn't got much to say And the porcupine talks to him-self

### Chorus

G G D G C G D G

G G D G C G D G  
 The dogs and the cats they take up the middle While the honeybee hums and the crick-et fiddles  
 C G D G  
 The donkey brays and the pony neighs And the old grey badger sighs

G G D G C G D G  
 Listen to the bass, it's the one on the bottom Where the bullfrog croaks and the hi-ppo-pota-mus  
 C G D G  
 Moans and groans with a big to do And the old cow just goes moo (STOP)

G G D G C G D G

G G D G C G D G  
 It's a simple song a little song every-where By the ox and the fox and the grizzly bear  
 C G D G  
 The dopey alligator and the hawk above The sly old weasel and the turtle dove

### Chorus - No ukes
